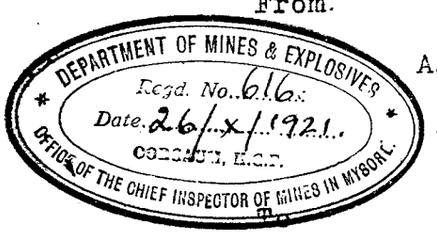
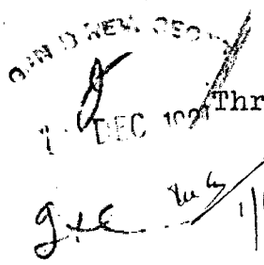
From.



A. T. Setlur, Esquire, L.C.E.,
Inspector of Explosives in Mysore.

To

B. Ramaswamaiya, Esquire, B.A., B.L.,
General Secretary to the Government
of Mysore, B A N G A L O R E.



Through

R. Bocquet, Esquire,
Chief Inspector of Mines in Mysore,
O O R G A U M.

Sir,

In regard to the deputation of Mr. V. Narayana Rau, Probationer, Explosives Department, to the Kolar Gold Fields, kindly arranged by the Chief Inspector of Mines in Mysore in consultation with the Mining Board, I beg to submit the following proposals for the generous consideration and orders of Government.

For being trained in items 7, 8 and 9 of the scheme proposed by me and approved by Government in their order No. 8161/ Geol. 51-20-4 dated 16th October 1920, it has been arranged that Mr. Narayana Rau should proceed to the Field early in November next and be there for 3 months getting instructions from the Mine authorities.

If Mr. Narayana Rau's stay on the Field could be considered as on duty he will be entitled under the existing Rules to a daily allowance of Rs. 1-8-0 and this seems to be a fair allowance considering the difficulty of securing living accommodation and defraying the high cost of life on the Field.

In this connection, I wish to bring to the notice of Government that on a previous occasion when Geological Probationer

5

were deputed for training on the Field a house rent of Rs.15/- each and half the cost of Mining outfit which amounted to about Rs.80/- each, were sanctioned by Government so that for the period of three months an average expenditure of Rs.85/- each had to be incurred by Government. Also, at present, the Mining Probationer stationed on the Field has been getting a house rent of Rs.20/- a month and in all probability half the cost of his Mining outfit has also been borne by Government and this, for three months, works up to about Rs.100/-.

As the cost of providing the outfit and living on the Field still continue to be abnormally high, I consider that it is only fair that Mr. Narayana Rau may either be allowed a lumpsum of Rs.120/- for the period of training to cover his maintenance and equipment charges, or, that he may be permitted to draw a monthly allowance of Rs.30/- and half the cost of underground outfit.

As Mr. Narayana Rau's stay on the Field was not anticipated by him and his deputation, even for a short period, entails much heavy expense and inconvenience, I strongly urge on the considertaion of Government to treat his case liberally and grant him one or the other of the allowances above proposed. Further, I request that in fairness to his case early orders may kindly be passed as he is asked to proceed to the Field by the beginning of November without being informed of what he has to get as allowances.

I have the honour to be,

Sir,

Your most obedient Servant,

Inspector of Explosives
in Mysore.

R.S.

26/8/21.

No.

Geol 53-21-1 6

No. 702 Office of the Chief Inspector of Mines
in Mysore,
Oorgaum, dated 30th November 1921.

Forwarded, with compliments, to the Secretary to the Government of His Highness the Maharaja of Mysore, General Department, for favour of early orders.

The Proposals submitted by the Inspector of Explosives regarding the period of training on the Kolar Gold Field for Mr. V. Narayana Rao, Explosives Probationer, as per the programme approved of by Government. may - with one exception - be favourably considered.

No Geological or other Probationer has drawn a daily allowance for the period of training undergone on the Gold Field and therefore it does not seem advisable to form a precedent in the Explosives Probationer's case. On the other hand, the cost of living on the Gold Field is still abnormally high while an underground outfit is also a very heavy item of expense. In view of this, I would propose that Mr. Narayana Rao be allowed half the cost of the above outfit and Rs.20/- a month for house rent for the time he is here.

As the training in blasting operations can be carried out at any time during the two years probationary period, Mr.Narayana Rao has been asked to remain at headquarters (Bangalore) pending the orders of Government.

R. Bocquet.
Chief Inspector of Mines
in Mysore.
